ELIGIBILITY RULES FOR PARTICIPANTS

It is very important to the success of the competition that skaters are placed in the correct divisions. This will ensure that every event is as fair as possible to the competitors. It is an ethical violation for coaches to sandbag an event.

Choosing a competitive level that is right for your skater: It is the responsibility of the instructor, coach, or skating director to place the skater at the correct competitive level. This decision should be based upon skill proficiency, athlete development, and fairness. Placing skaters at a level that challenges them appropriately while fostering their ongoing development is key to nurturing their growth.

ELIGIBILITY AND TEST REQUIREMENTS:

The competition is open to ALL skaters who are current members of either Learn to Skate USA and/or those who are full members of U.S. Figure Skating (including Aspire). Members of other organizations are eligible to compete but must be a current registered member of Learn to Skate USA or a full member of U.S. Figure Skating. There will be no more than six competitors maximum in an event, and all six should receive an award.

Eligibility will be based on skill level as of closing date of entries. All Snowplow Sam and Basic 1-6 skaters must skate at highest level passed or one level higher, and NO official U.S. Figure Skating tests may have been passed, including skating skills or individual dances.

ELIGIBILITY RULES FOR COACHES/ INSTRUCTORS

When hosting a Compete USA competition, it is important that you verify the compliance of each coach/instructor who plans to coach onsite at the event.

For credentials at a Compete USA event, coaches/instructors are required to have:

- Learn to Skate USA instructor compliant
- OR
- U.S. Figure Skating coach compliant

If a coach/instructor attempts to work at your event without the proper credentials, he or she is in violation of U.S. Figure Skating ethics and code of conduct rules and, as such, is subject to disciplinary action.

All officials and adult volunteers attending Compete USA events must also be SafeSport Trained™
